Some thief with nothing better to do entered the barn of Mr. Wheeler, of the cement plant last week and made away with a good saddle. People with horses should be on the look out for the enterprising thief will probably try to find a steed to fit the saddle.

Dr. Coffman received word Sunday that Harry Wiley, who went from here to Kansas City to study medicine had had the misfortune to be stopping at a boarding house where a case of small pox developed and had to be quarantined. It is unfortunate because there is no telling how it may end.

The Episcopal ladies made such a good reputation with their entertainment course last year that they found little trouble in disposing of tickets for the course this year and have had a very successful sale. The proceeds are for the church now building and the first number of the course will be given Thursday night.

At the race track last Saturday there were several horse races, matched between horses in the county. Among the horses was one of Bert Jones, of Deer Creek, and a Wilmoth and a Hays horse. The owners put up a purse and matched the races and quite a crowd went down from town to see them. The Jones horse won the race.

Ed Preston, a young man who has been working at the cement plant, was found by the doctors to have consumption and friends took up a collection for his benefit and he left Thursday for Parsons where he will take treatment, later going to the Ozark mountains in search of health. His friends here hope he will be fully restored.

Those who went to Fort Scott to attend the A. O. U. W. meeting returned Friday tired and happy. They report that they were very highly entertained and that every visitor was shown a good time. The next meeting will be held at Cherryvale. As one of them said "we took it away from the Pacific because they wouldn't give us any trains."

Mr. J. E. Bridgeman and Mr. H. M. Gamble, the two architects who have made Iola their home for some time and done good work in improving the style of architecture which was running to seed here before they came, have gone into partnership and will hereafter do business under the firm name of Bridgeman & Gamble. They ought to find plenty of business and prosper.

For several days Mrs. T. T. Anderson and Mrs. A. E. Wright have been expecting a visit from a brother, G. H. Green, whose home is at Canyon City, Colo., but who was visiting at Shelby, Ohio. Last Friday they received the sad news that he had died at Shelby. Mr. Green visited here several years ago and made many friends who will sympathize greatly with the two sisters.

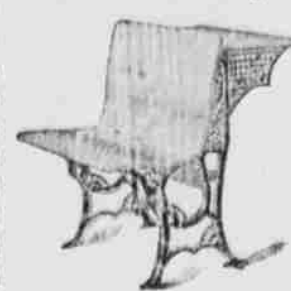

Mr. McDonnell, the engineer, has gone to Osawatomie to figure on a water works and electric light plant with bright prospects of getting the job. The Iola contract has been an excellent advertisement for this firm of young engineers and they give every assurance that they will reciprocate by giving Iola a good piece of work which they can always point to with pride.

It is suggested that one reason barbers are nearly always ardent politicians is that they talk to advantage. For when they get to going it on politics if the man in the chair seems to be getting the better of it they dab a hunk of lather in his mouth and the wise male soon learns to lie silently and hear it out. And after the shaved has departed the barber turns to the crowd and remarks complacently: "Did you notice how I shut that fellow up?"

Monday was Mrs. Bertha Foster's seventieth birthday and last night her neighbors dropped in on her and gave her a surprise party. The evening was delightfully spent in games and luncheon. A beautiful silver tea set was given her by those present as a token of their regard. Those present were: C. H. Wheaton and wife, B. E. Clifford and wife, H. W. Steyer and wife, Mrs. Clem Kreuter, J. E. Jones and wife, and O. L. Steinman and wife.

School District OFFICERS

Can buy almost any kind of School Furniture and Supplies at the Old Corner Book Store just as

cheap, and in many lines cheaper than of agents, and have the big advantage of trading at home. We can sell all styles of seats this season, and in many of the little supplies we bought long before the advance in price. Don't buy until you get our prices and see our line.

Where is that good old citizen who started the talk of putting up seats in the park? Of course it is not necessary to begin at this late day but he should make a note and start the agitation next spring and it ought to result in the erection of numerous seats.

Capt. H. A. Ewing received a telegram from Chas. E. Lobdell this afternoon telling him that Hon. W. J. Cochran, of Illinois had been assigned for Iola on the evening of the seventeenth. Mr. Cochran is one of the best speakers that the National Republican committee has out and he should be given a good crowd when he comes here.

Speaking of Captain Watson, who lost a leg in the Philippines, the Pittsburg Tribune says: "His leg came in yesterday and he is expected to arrive in a day or two," said a friend speaking of Captain Will Watson this morning. The Captain went down to New York and selected a leg. It came in yesterday by express. The Captain and Mrs. Watson went on to Washington D. C. and are expected to return in a few days from their visit to the National Capitol."

Mrs. Mamie Long made application to the city authorities for aid last week. She had asked to be sent to Fort Scott and was told to go to the depot where Policeman Shapel went afterwards and bought her a ticket. At the depot she told Shapel that she and her husband had walked all the way from Colorado here and that they hadn't had anything to eat all day. She said her husband's folks lived at Fort Scott and that they were trying to get there. Her husband intends to work his way and not ask for aid. Shapel gave her a quarter and told her to get something to eat the first place she came to, where there was a lunch counter near the depot.

Western college foot ball is starting off in an unusual manner this year. The Kansas University ball team was beaten by the score of 20 to 0 by the Washburn team and the Missouri University team was beaten by the score of 11 to 0 by the Haskell Indians.

Two large engines for the Port Arthur route were taken south today making four in all that have gone through in the last two days. The engines are so large that a common man could walk underneath them without touching his head. The smoke stacks were removed so that they could be pulled through the bridges.

There are thirty-one teachers engaged in training the young ideas how to shoot in the city of Iola and they recently organized for mutual improvement and the study of methods. It is an organization within the county teachers' association and will meet for the first time at the high school room next Saturday morning. Miss Clifford Mitchell was chosen president and Miss Hallie Irving, secretary.

Chanute Tribune: Three Iola business men were arrested at Kansas City this week on suspicion. They filled the descriptions exactly the police had of three counterfeiters. After tears and pleading and each had lost a year's growth from anxiety they were turned loose. The Carnival no longer had any attractions for them after that and they sneaked home on the first train. It is common rumor that every Iola man who leaves that town now gets a trunk full of credentials from the city mayor and ministers before starting out on a trip.

A Thousand Tongues

Could not express the rapture of Annie E. Springer, of Philadelphia, when Dr. King's New Discovery cured her of a hacking cough that for many years had made life a burden. She says: "After all other remedies and doctors failed it soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the Universe." Dr. King's New Discovery is guaranteed to cure all troubles of the Throat, Chest or Lungs. Price 50c and \$1. Evans Bros. drug store.
